

# IMPORTANT UPDATE

To Our Valued Distributors,

Fashion Biz would like to advise that following the introduction of Stage 4 restrictions in Melbourne, our Altona Warehouse will be open and processing your orders.

As a precautionary measure we will be suspending customer order pick-ups at the Melbourne Warehouse, from midnight Wednesday until further notice. Courier pick-ups will still be permitted.

Our Sales, Customer Service and Accounts teams based in Melbourne will continue working remotely and will be contactable via phone or email.

Our Sydney and Perth Warehouses and Offices, together with our Brisbane and Adelaide Sales Offices are operating as per normal.

Current border restrictions between states may impact delivery lead times to some degree. We anticipate this will continue until borders fully open across the country.

We appreciate your ongoing support and understanding in this difficult time and wish everyone the very best!

Kind regards,  
Team Fashion Biz
